

# American Skin Association

## ❧ Public Policy & Medical Education Award ❧

American Skin Association (ASA) is accepting nominations for its Public Policy & Medical Education Award. In 2002 ASA established this award to recognize those whose contributions to public policy or medical education have significantly advanced the specialty of dermatology.

### **Nominations:**

A letter describing the contribution(s) of the nominee and a copy of his/her current curriculum vitae.

### **Deadline:**

Deadline for receipt of nominations is **Wednesday, December 1, 2010**. Please mail or fax nomination letter and curriculum vitae to:

**American Skin Association**  
346 Park Avenue South  
New York, New York 10010  
212-889-4858  
212-889-4959 (Fax)  
info@americanskin.org

### **Selection Process:**

American Skin Association's Medical Advisory Committee will review the credentials of the nominees and the awardee will be notified in January 2011. The recipient will be announced in the Society for Investigative Dermatology program and the award presented at its annual meeting in May 2011.

### **Past recipients:**

|      |                        |

| 2009 | Dr. Alan N. Moshell    |
| 2010 | Dr. Diane R. Baker     |

### **American Skin Association**

Dedicated to serving the now more than 100 million Americans suffering from skin disorders, American Skin Association is an increasingly influential leader in the struggle to overcome melanoma and other serious forms of skin disease. For over two decades its mission has remained to advance research, expand Americans' understanding of the skin's importance in preserving wellness and raise public awareness about skin disorders and their often devastating impact.
