## ↻ Research Achievement Awards ↻

American Skin Association is soliciting nominations for awards for meritorious contributions to cutaneous biology and medicine. The awards honor established physician/scientists in the United States and around the world, whose innovative work is making an impact on the lives of those who suffer from psoriasis, autoimmune/inflammatory skin disorders, skin cancer/melanoma, vitiligo and pigment cell disorders.

**Nominations:** Letter describing the contribution(s) of the nominee and a copy of his/her current curriculum vitae.

**Deadline:** Deadline for receipt of nominations is **Friday, December 6, 2011**. Please mail or fax nomination letters and curriculum vitae to **American Skin Association**, 6 East 43rd Street, 28th Floor, New York, New York 10017. Phone: 212-889-4858 Fax: 212-889-4959 Email: [info@americanskin.org](mailto:info@americanskin.org)

**Selection Process:** American Skin Association's Medical Advisory Committee will review the credentials of the nominees and the awardees will be notified in January 2012. The recipients will be announced in the Society for Investigative Dermatology program and the awards presented at its annual meeting in May 2012.
